Winter Agricultural Course.

The University of Nebraska has issued a circular descriptive of the winter course presented to Governor Poynter his opinion in the School of Agriculture. The people in regarding the power of the civil authorities ment was begun to make Thanksgiving day charge of the school realize the fact that of Sarpy county to prosecute the two sol-most farmers' sons and daughters cannot diers from Fort Crook who recently killed John Jay of New York in 1795 issued a procafford to spend the time and money required a deserter. He cites several cases where lamation designating such a day. This act in the preparation for and completion of a similar point of law had been raised and was said to be a political move and it was is view they have prepared a short practical law to prevent the civil authorities from criticism offered was that Governor Jay apcourse of three months, beginning January 2, 1900, and ending March 17. It provides for studies of soils, field crops, diseases of farm animals, breeding of live stock, feed- he at once asked the attorney general for lamation anything of a political nature. ing of live stock, dairying, horticulture, agriculture, engineering, carpentry and blacksmithing, insects injurious to crops, plant pests, farm accounts and English. An explanation given in the circular of the manner in which the instruction is given shows that the student obtains much of it by means of actual practice and observation. Not that he will be expected to do the work of the farm with which he is already familiar, but such operations as stock judging, milk testing, creamery operations, tree grafting, treating sick animals, etc. No examinations are required for entrance, but a registration fee of \$1 is charged. The cost to each student last year for room rent, table board books, etc., was about \$36.

In preparing the course of instruction the object has been to make it as practical as possible, to give the student something that will be of value to him when he returns to the farm. The instruction is given by means of lectures and actual practice. Extion in the most practical manner. A wellequipped building has been erected, containvarying from 16 to 45 years of age.

Brief in Partiey Case.

Attorney General Smyth was down from Omaha today to examine the reply brief is nothing sectarian nor dogmatic in the pany of both our ships landed on this island filed in the supreme court by the attorneys exercises and that the exercises do not the which we called St. George's island, for the bondsmen of ex-State Treasurer conflict with the constitution of the state of where the cross standeth and thear we Bartley. He asserted while here that he Nebraska nor the laws thereof. would immediately file an answer and that he would have no difficulty in defending himself on the contention of the attorneys ercises, but have taken an interest in them; and so returned aboard again. for the bondsmen. The case in which this that neither they nor other children are brief was filed was submitted to the supreme | compelled to take part in the exercises. The said today that the supreme court granted cember 4. the attorneys leave to file a brief, but that it was understood at the time the oral argument before the court was not to be taken into question.

It is contended by the bondsmen that the attorney general admitted in his argument tion of a good many witnesses this afternoon. that Bartley's bond was not filed with the secretary of state until January 9, notwithstanding that it bears a filing mark dated January 3. The statutes require the bonds daily. first Thursday following their inauguration.

The evidence of the state in its case against the bondsmen showed that the bond was be did not do the shooting, but that his whether Governor Bradford sent out his men. filed within the required time, but that it was not approved until January 9.

The attorneys for the defense introduced some evidence to prove that the bond was not filed until the day it was approved, but, the attorney general holds that there is a preponderance of evidence in support of his own contention. The supreme court, in the case of Barrett Scott, in which a simllar point was raised, held that unless an official files his bond within the specified time be can have no legal right to the office, but that such neglect would not release the signers of the bond from liability The attorney general bases his argument on this and other similar decisions that even if the bond was not filed until January

9 the bondsmen would still be liable. In connection with the filing of the reply brief by the attorneys for the bondsmen it is said that the attorneys committed a breach News has reached here of the burning to ing issued. Shoots a Brother While at Play.

COLUMBUS, Neb., Nov. 29—(Special)—
James Duccy, jr., son of a prominent farmer
living near Lindsay, was accidentally shot
with a twenty-two-caliber revolver in the
hands of a younger brother late Monday
night. There is little chance for his recovery, as the ball passed through the
bowels.

I used the tablets faithfully according to
diffections, and I am now completely cured
and have been for two months. I can eat
and easily digest all kinds of solid food:
whereas formerly I was limited entirely to
the simplest forms of liquid tood. I can
not recommend this cure too highly to sufferers from this complaint, and I feel so
gratified that I would gladly expain the
electrons, and I am now completely cured
and have been for two months. I can eat

Make It Public.

People Want.

Omaha Expression on the Subject. Make it public Tell the people about it Gratitude promotes publicity. Grateful citizens talk. They tell their neighbors; tell their friends

The news is too good to keep, 'Bad backs' are numerous. So few understand the cause Many Omaha people are learning. And, better still, they're being cured. Lome backs are lame no more. Weak ones regain their strength. This is the everyday labor in Omaha Of Doan's Kidney Pills.

Our citizens are making it public. Here is a case of it: Mr. F. B. Kingsberry, 1823 Dorcas street, carpenter by trade, saya: "Doan's Kidney Pills are a good medicine and I can recommend them. I had an attack of kidney trouble for two months and for two weeks before I got Doan's Kidney Pills at Kuhn & Co.'s drug store, I could not work on account of my back. I commenced using the remedy Doan's Kidney Pills for sale by all dealers. Price 50c. Mailed on receipt of price

ELECTRICITY CURES

other.

Most of the fearful ailments of life can be traced rangement of the nervous system, generally originating in diseases of the generative organs. Every sufferer wants a cure that will effect a cure in the easiest, quickest and least public manner; therefore, I do not enter upon a lengthy discussion and long-winded treatise as to the cause of your trouble, resorted to by quacks, who only do so to confound and frighten you. You are probably well aware of the cause of your present weakness. Drugs and the ordinary course of treatment will not cure youprobably you are aware of this fact to your sorrow. Electricity will speedily, safely and surely cure you sound and well again, and I will guarantee it, if you will apply this important element of life through the agency of

Dr. Bennett's Electric Belt.

Electricity is the Nerve and Vital Force of every man and woman, and without it you could not live a moment. When there is a lack of this Electricity of Nerve Force in the system, you can never be well and strong again until it is again supplied. Nature will not supply it, for Nature has been imposed upon and refuses to act. I will forfelt \$1,000 if my Electric Belt does not generate a genuine current of Electricity that you can immediately feel-is four times stronger than any other belt on earth.

Has soft, sliken, chamcis-covered sponge electrodes that cannot burn and blister as do the bare metal electrodes used on all other makes of belts. I guarantee my belt to cure Seminal Impotency, Lost Manhood, Spermaterrhea, Varicocele and General Debility, restore Shrunken and Undeveloped Parts, cure Rheumatism in any form, Kidney Liver and Bladder Troubles, Constipation, Espensia, all Female Complaints, etc.

Call upon or write me today-sacredly confidential-do not delay, delays are dangerous-get symptom blanks, books and literature. Consultation and advice without My ELECTRICAL SUSPENSORY for the cure of the various weaknesses of men, is given FREE to every male purchaser of one of my Beits. Sold only by
